The Pocono State Craft Festival is a juried event featuring quality contemporary and traditional crafts and fine art. Customers from NY, NJ, and PA enjoy demonstrations, festival food, and live music.

The festival is located at Quiet Valley Living Historical Farm, a 19th century working farm, that provides tours, activities, and fresh baked goods during the event.

This festival is a premier showcase for professional artisans in northeast PA and has a strong following. Extensive advertising, excellent organization and a craftsmen's dinner make this a festival to return to year after year.
