2023 Best in Show: Internal Monologue by Teni Real

## 29<sup>th</sup> Annual Student Art Exhibition

February 18 – March 24, 2023

## Pocono Arts Council

530 Main St., Stroudsburg, PA / (570) 476-4460 Susan Randall, Executive Director

Founded in 1975, the Pocono Arts Council's vision is to ensure the arts remain a vibrant cornerstone of community life throughout the Pocono region. Thank you for joining us in our mission to foster and support the arts through connection, education, and advocacy!

#### A WORD FROM THE JUDGE

I would like to extend my congratulations to all the artists who participated in this student exhibition. To put your work up on the wall for the public to see is a very brave thing to do and I applaud all of you. Job well done.

This was a huge show to judge. I spent time looking at each piece, jotting down notes, circling the artwork that caught my eye on the judge's sheet, going around again and again to look. It is not an easy task to be a judge. There are a lot of criteria that go into deciding who gets awards.

I was very impressed by the quality of all the artists' work. You should be very proud. I hope you will continue to learn and create. Art is a language that comes from the heart, and by strengthening your connection to your heart and emotions, your art will grow and reach great heights. Keep on creating. You are all winners in my mind.
