Touch Drawing

One evening, October 18,
Tuesday, 6-8pm

This is a simple technique where one covers a smooth surface with a layer of paint. Where ever the paper is touched, an imprint is made on the back side.

Effortlessly ones hands sweep across the surface of the paper, translating their impulses into form and image. A multitude of drawings can be created, each a stepping stone to the next piece.

Instructor: Suzanne Werfelman (see bio under Fall Watercolor Painting)
