

2019 Suzanne Anderson Scholarship Recipients

Rafael Fernandez

Suzanne Anderson was a strong supporter of all the arts, but especially music, having served as president for many years of the Music Study Club and active in the Pocono Arts Council's Youth in Music Excellence Awards. Upon her death in January, 2013, she included the Pocono Arts Council in her will to "establish a scholarship for a student majoring in the arts in college."

At the 2019 Spring for the Arts event, PoconoArts will honor Suzanne's wishes by awarding two \$500 "Rising Star" scholarships to Rafael Fernandez and Kayla Patney to continue their continued studies. Rafael is a senior at East Stroudsburg South High School and plans to attend Susquehanna University. Kayla is a senior at Stroudsburg High School and plans to attend Kutztown University.

From the Director

To The Members and Friends of the Art Community: Have you seen the new pop up art gallery window located at 602 Main Street? This is a beginning effort to remain viable in our community following the move to 701 Main Street. Many thanks to board members and volunteers for creating the space. If you attended this year's Spring for the Arts, you were greeted by artwork voluntarily exhibited by some of our member artists. I was pleased to welcome so many of our members and friends last month at the members show in yet another pop-up gallery space in the new office area. Gallery exhibitions are being planned all over the community with the hope that if we are successful, we can grow our service offerings even more throughout the greater Pocono region.

Fall 2019 Dunning Gallery Art Exhibition

Submission Deadline Extended!

This year's Fall Dunning Gallery Art Exhibit at Northampton Community College's Monroe Campus will be a photographic exhibition tentatively titled: **Monroe County Past & Present: Resorts, Ruins, and the Rural Landscape** – and it will be presented in partnership with the Monroe County Historical Society.

The show will be a photographic exploration of Monroe County's history, featuring contemporary photographs alongside historical photos and artifacts provided and curated by the Monroe County Historical Society. As the title indicates, the show will explore three different areas of our local history: A) the history of resorts and recreation in Monroe County, B) our industrial and architectural past and present (the empty warehouses and furnaces that still stand all around our county were once hubs of manufacture and enterprise – and historic buildings have been re-faced and re-imagined for new uses), and C) the shifting landscape of Monroe County itself that, despite industrialized progress, still retains the amazing natural beauty that has drawn artists and visitors for hundreds of years.

We are currently looking for local artists to submit photographs for this juried show. To submit your photos for consideration, please email them to tosubmit_photos@northampton.edu. Please submit no more than five (5) photographs for consideration. All images submitted for judging should be set at a resolution of 72 DPI (and no more than 8 by 10 inches in dimension – file size should be less than 5 megabytes). It is suggested that all files entered be saved with an sRGB color space to be assured that the proper colors are being displayed on the judging monitors. Files should also indicate the location and date that each photograph was taken. Photographs must be emailed prior to June 30th for consideration in the Fall Juried Show.
